

RESIDENTIAL

Develop independence, resilience and confidence through new challenges, teamwork and experiences beyond the classroom, helping children grow in maturity and self-belief.

POND DIPPING

Discover local wildlife and develop curiosity about the natural world through hands-on exploration, observation and outdoor learning experiences.

MUSEUMS

Bring learning to life by exploring real artefacts and exhibitions, helping children deepen their understanding of history, culture and the wider world.

THEATRE

Inspire creativity and imagination through live performance, exposing children to storytelling, music and drama in an exciting, memorable way.

LOCAL COMMUNITY

Develop a sense of belonging and responsibility by learning about the people, places and services that shape everyday community life.

CLIMB A TREE

Develop confidence, resilience and problem-solving skills through safe risk-taking, encouraging children to challenge themselves and connect with the natural world.

HENRY CHADWICK SCHOOL PROMISE: 12 PROMISES BEFORE 12

PUBLIC TRANSPORT

Build confidence and independence through real-world travel experiences, helping children understand how to navigate beyond their immediate surroundings.

FAITH TRAIL

Promote respect, understanding and appreciation of different beliefs, cultures and traditions within our diverse society.

PERFORMANCE

Build confidence, communication skills and self-expression by performing in front of others and celebrating personal achievements.

BEACH

Experience a different environment, explore natural habitats and create lasting memories while developing curiosity about the world around them.

COOKING

Develop practical life skills, encourage healthy choices and build confidence through preparing and creating food independently and collaboratively.

LIBRARY

Foster a lifelong love of reading while teaching children how to access books, information and opportunities for independent learning.
