

Date: Wk com 29th September 2026

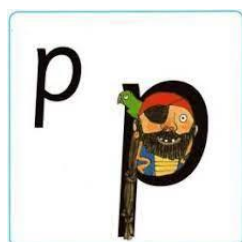

These are the sounds we have learnt this week;

Down the **i**nsect's
body and a dot for
his head

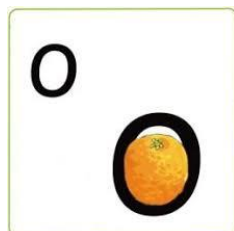

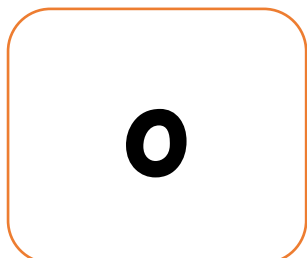

Down **N**obby and
over his **n**et

Down the **p**lait and
around the **p**irate's
face

Around her face and
down her plait. Don't
forget the curl

All around the orange

Please practise these sounds at home with you child, spot them around your home and when sharing books together. Attached are some letter formation sheets to practise writing the letters.
